From The Principal

We have had a wonderful start to Term 4 but as we all soon realised when completing the term calendar that it will be just as busy!! Judging for the Livingstone Shire Council Gardening Competition has happened this week. Hopefully the judges were impressed with the hard work the students have put into the vegetable gardens and will judge them accordingly.

The students goals for this term have been updated and placed on the goal board. All of our students have already met or exceeded the reading benchmarks for the year, so we will be focusing heavily on comprehension to ensure greater understanding before moving to higher levels.

This term we have introduced some Nature Missions to our students. This gives them the opportunity to participate in outside learning. Once we have competed the missions set by Nature’s Play Qld, we will be creating our own missions for the students to complete. If you have any wonderful ideas I would appreciate your input. As we have discovered with many things this year “Many heads make light work”.

Have a fantastic weekend with your brilliant children

Tam
**P&C News**

Hi All,

A reminder the CQ Mower Races are this Sunday 16th from 10am to 3pm, so if you have a spare hour or so please come over and join us.

The judges came this week to the school to view our school vegetable garden for the Livingstone Shire Council Lifestyle and Gardening Competition that we entered. Winners will be announced at the Yeppoon Town Hall on Sunday 23rd October at 3pm. If you are interested in going please let the school know so we can book in numbers.

We are sending our a request for volunteers and donations for The Caves Xmas Fair in the Square. We will be running a home made produce/goods stall.

Next P&C Meeting to be confirmed.

Julie

**School Exercise Program**

Anybody wishing to join our School exercise program, your welcome to come along on Monday and Wednesday afternoons. Fitness levels taken into account.

**MONDAYS:** 3-4pm Power Walking

**WEDNESDAYS:** 4-4:45pm Boot Camp

---

**Sonya’s Snapshots**

I was very pleased to see the children so focused and on task after the holidays. It is so pleasing to see the children so enthusiastic about their work.

In English, we have been working on procedures and in Maths we have been concentrating on revision.

In Science we are learning about soil and water.

Today in our cooking lesson, we are making mulberry slice and apple crumble. Yum!

The goal for our community garden is to learn about the journey our food takes before it reaches our plate. We are also aiming to re-use/recycle as much as we can so we can be environmentally friendly.

The children showing the judges from The Livingstone Shire Council Gardening Competition our Worm Farm. The children were very proud to show them their Vegetable Garden.
