From The Principal

Hi everyone,
How great does our garden look! I was admiring all the wonderful plants and gardens beds that the children and parents have been working on. We will be eating our own lovely vegetables in no time.

Thank you to the wonderful parents supporting our playgroup every Thursday. It is wonderful to see the children interacting with each other and enjoying all the activities. Keep an eye out for a special feature in our newsletter that is all about playgroup.

Reading
This week we have been working on diagraphs. Ask your children what a diagraph is and get them to find them in their home reading book.

Numeracy
Practice counting in 2’s, 5’s and 10’s. Start at any number from 1 to 100.

Writing
This week we have been writing a whole class narrative. There are some very imaginative students in our classroom! Ask them to retell the story so far.

Romp in the Park
The students will have a wonderful time tomorrow. Meet at the Café in the Botanic Gardens at 8.45 am. Don’t forget your lunch, your water bottle and your hat.

Tam.
Snippets from Shannan

Well we are passed the half way point in the term. The students have been working really hard trying to get their assessments completed for report cards.

Fridays have quickly became the students' favourite day of the week. They are loving their time in the garden with Sam and Chris, and then coming in cooking with Julie and myself. The best part about the cooking is they get to sample their food at second break.

This week we find ourselves heading to Romp in the Park which sounds like it is going to be a great fun filled day.

Keep up the hard work! , Miss Rye.

Fri 24 June—Last day of term. Happy Holidays.

P&C News

We are having a fundraiser at the Mower Races this Saturday. Looking forward to seeing everyone and thank you for your support.

Busy Bilbies Playgroup is every Thursday from 9am to 11am. We have a lovely group of children attending and thanks to Sam for organising it each week.

Our lawn and oval is getting greener due to Chris fixing the watering equipment. Bunnings have responded with support towards our worm farm and chicken coop. The vegie garden is coming along nicely and it won’t be long before we have some vegies to share.

Julie Page, Secretary.

SCHOOL BANKING NEWS

Congratulations to everyone on their 10 deposits awards.
Remember school banking every Friday.
