From The Principal

It is a relief to have made it to the end of this very long term. It was wonderful today to see all our students receive their awards for their hard work. It is wonderful to see that all the children at Milman have exceeded the expected benchmarks. The children have worked very hard and thanks must also go to the hardworking staff and parents of the school. It is definitely a team effort at Milman and it is fantastic to see that all parents encourage and support all the students.

Attached is the term planner for Term 3. If there is anything you feel needs to be included please let me know and I can update as needed.

I was very proud of the way our students performed at the Marlborough District Sports Day. Our students did very well considering that we were certainly outnumbered as a team. All of our students were able to bring home a ribbon and are to be commended for their effort and sportsmanship.

I hope that everyone will enjoy some much deserved time off over the holidays. I plan on a little work, a little relaxing and some camping. I am sure that our students will certainly enjoy the time off too.

Be safe and have a fantastic holiday with your beautiful children. Tam.
