From The Principal

What a wonderful surprise it was to win the school section of the Livingstone Shire Council’s Gardening Competition. The students (and Sam) have put a lot of work and effort into the garden and it is wonderful that all that hard work has been recognised. We have received a $250 voucher to spend towards our garden. That combined with the wonderful donation of $500 from The Caves Progress Association means that we can expand our garden program and the students can learn even more about where their food comes from.

Next Friday we will start our swimming and ten pin bowling program. Please make sure that you return all forms as soon as possible. Dental forms have also been sent home.

Don’t forget our Melbourne Cup hat parade and afternoon tea next Tuesday. Please bring a plate to share for afternoon tea. Many thanks to Wendy Mylrea for her time with the students to make hats for the parade.

If you wish to take part in our Student Resource Scheme for 2017, please make sure that your paperwork is returned by next week, so we can order what is needed before the end of the year. Invoices for Student Resource Scheme will be sent out early next year.

Have a great weekend with your beautiful children.

Tam

Dental Van Visit
The Dental Van will be at The Caves for 2 weeks from November 22. Forms were sent home yesterday and need to be back at school by 4th November.

Student of the Week
21st Oct
Lacey—for being focused and on task.

28th Oct
Madeleine—for being focused and on task.
**Sonya’s Snapshots**

This fortnight, our class has been busy learning about Procedural Texts in English. We have read many books that have included procedures and constructed our own procedures. Year One’s are writing a procedure for the method of making a disgusting sandwich, while Year Two’s and Three’s are deciding on something to make for George from the novel we have read. Preps are writing letters to Sam giving him ideas on where he might find his lost dog and how he could retrieve him.

Science and Geography this term is intertwined, with students learning about different landscapes and weather in certain climates and different seasons. In the coming weeks, assessment activities will be completed in readiness for reporting.

We are looking forward to starting swimming and bowling next week – hopefully the weather will be warm enough!

Sonya

**P&C News**

On Sunday the school Vegie Garden won the Livingstone Shire Gardening Competition.

Our tennis social that was to be held tonight has unfortunately been cancelled due to an underground electrical problem with the lights.

Thank you to Janette Leggatt from the Worm Women for her visit and interesting talk on worms, worm farms, and how we can utilise them in our garden.

Next P&C Meeting will be held at the School Disco while everyone is at school.

Magic Words

21st October

Matilda—knowing and spelling 200 words.

28th October

Madeleine—Lime and Lemon and also knowing 200 words by sight
Tadhg—Pink words
Milman State School has won the Best School Garden in the Livingstone Shire Council Lifestyle and Garden Competition for 2016. The school received a $250 Gift Certificate from Capricorn Coast Sand & Soil and a Watering Can trophy. The children and Sam were presented with these and certificates at a function held last Sunday at the Yeppoon Town Hall. It was great to see our children and parents attending and collecting our winnings. A big thank you to all those who have donated and helped in our gardening project.
